

Tobacco Physician Affidavit

Employees and/or spouses enrolled in an Oncor Medical Option will incur a tobacco surcharge if they have used tobacco products during the last 24 months. To waive this surcharge, the covered individuals must complete a tobacco cessation program or submit this tobacco physician affidavit attesting the individual has been tobacco free for 6 months, or that it is medically advisable to continue using tobacco products. Tobacco products include, but not limited to: cigarettes, cigars, e-cigarettes, vaping, cigarillos, pipes, chewing tobacco, snuff, dip, and loose tobacco smoked via pipe or hookah.
